Equal Opportunities Policy

Areas of Green Oak Academy policy relates to: Whole school staff

Introduction

Green Oak Academy is committed to promoting understanding of the principles and practices of equality and justice. We aim to equip children with an awareness of our diverse society and to appreciate the value of difference.

Every member of Green Oak Academy is regarded as of equal worth and importance, irrespective of his/her creed, culture, class, race, gender, or disability.

Every aspect of Green Oak Academy's activity has an equal opportunities dimension. This may be expressed explicitly in teaching materials and display, implicitly in classroom practice, or as part of the 'hidden curriculum' of social interaction amongst and between staff and children.

Green Oak Academy's environment influences the developing attitudes of the children within it and can be a powerful vehicle for the promotion of understanding and practice of equal opportunities.

We live in a society where disability discrimination segregates and isolates people from their communities. Green Oak Academy aims through its proactive approach to inclusion to enable our children to an equality of access to their communities.

The Law and Discrimination

Sex Discrimination

The Sex Discrimination Act 1975 applies to both males and females and makes it unlawful to discriminate against a person on the grounds of his or her sex.

Racial Discrimination

The Race Relations Act 1976 defines racial discrimination as discrimination on the grounds of colour, race, nationality or ethnic or national origins.

Disability Discrimination

Under the Disability Discrimination 1995, disabled people have a right not to be discriminated against in employment or access to goods or services. A person has a disability if he or she has a physical or mental impairment which has a substantial long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Aims

- To ensure that children and staff recognise that discrimination on the basis of colour, culture, origin or ability is not acceptable.
- To provide an environment in which all children and staff feel safe enough to express and question views.
- To ensure that all staff feel valued and supported and have appropriate advice and encouragement for professional development.
- Ensure the principles and practice of equal opportunities apply to all members of the school community: students; teaching and non-teaching staff; parents; governors and visitors.
- Equal Opportunities practices should be evident in
 - a) the formal curriculum (the programme of lessons);
 - b) the informal curriculum (extra-curricular activities); and
 - c) the 'hidden' curriculum (the ethos of the school, the quality of personal relationships etc).
- To educate, develop and prepare all our children for life whatever their gender, colour, origin, culture or ability.
- Children and teachers contribute towards a happy and caring environment by showing respect for, and appreciation of, one another as individuals.
- Children are seen as individuals and each child's education and care is to be developed in direct relation to their needs and abilities. This ecliptic approach is to be based upon sound knowledge and awareness of an appropriate range of teaching and learning styles, teaching interventions, behavioural methods, medical and diagnostic issues.

Policy into Practice

a) Admission

Green Oak Academy follows the LEA Admission Policies that do not permit gender, race, colour or disability to be used as criteria for admission.

b) Registration

Children and staff names will be accurately recorded and correctly pronounced. Children will be encouraged to accept and respect names from other cultures.

c) Discrimination

All forms of discrimination by any person within the school's responsibility will be treated seriously as such behaviour is unacceptable. Racist symbols, badges and insignia on clothing and equipment are forbidden in school. Staff should be aware of possible cultural assumptions and bias within their own attitudes. **In all staff appointments the best candidate will be appointed based on strict professional criteria.** Parents should be aware of the school's commitment to equal opportunities.

All cases of discrimination or prejudice should be taken seriously and dealt with, as appropriate, according to existing sanction procedures. A record of incidents should be kept.

d) Language

The school views linguistic diversity positively. Children and staff must feel that their natural language is valued.

e) Culture, Class and Race

Green Oak Academy acknowledges that members of the school come from diverse cultural, racial and socio-economic backgrounds and we endeavour to foster an atmosphere of mutual respect in order to help to promote a school and a society in which there is social, religious and racial harmony.

Green Oak Academy recognises the inequalities of opportunity which exist within society for individuals and groups and are determined to take positive action to enable every individual to raise his/her self-esteem, expectations and performance so as to have wider choices in life.

We understand the need to be different without being excluded. We value the history, experience and contribution of our multi-cultural community and seek to express this in the curriculum and life of our school. We try to counter negative, patronising and stereotyped views: a prime cause of prejudice is ignorance and misunderstanding. We will not tolerate racist behaviour in any form.

f) Religion

We acknowledge that members of the school, staff and pupils, come from diverse backgrounds. We seek to promote an ethos of tolerance based on understanding of and respect for the beliefs and practices of others.

g) Resources

Green Oak Academy's aim is to provide for all children according to their needs, irrespective of gender, ability or ethnic origin. Resources are to reflect cultural and racial backgrounds of children to support positive self-image. We try to ensure that our resources include non-sexist books which value the achievements of women as well as men. Displays will similarly reflect a range of cultures and races. All materials in use in Green Oak Academy will be monitored.

h) Relationships

Relationships between staff, children and management should be such that any member of the school acting in a manner contrary to the spirit of this policy is made aware of the unacceptable nature of his/her behaviour. This should be done in a supportive manner to

encourage change and reinforce the principles of this policy. When it is uncomfortable or inappropriate to address the issue between staff then management must be made aware of the incident and supervisors address the incident with the staff or child involved through supervision.

i) Appointments

The Head teacher will ensure that in recruitment procedures any advertisements, short listing and interview procedures are without any hint of direct or indirect discrimination. During employment it would be unlawful to discriminate in the way opportunities for promotion, transfer or training were offered. It is also unlawful to discriminate in dismissals, particularly in redundancy dismissals. Green Oak Academy welcomes a work force that is multi-cultural.

Awareness of policy

Parents and pupils should know that the school has an equal opportunities policy and is committed to equality of opportunity for all pupils.

Governing bodies should have an equal opportunities policy and they and head teachers should actively promote and implement them.

Monitoring and review

Green Oak Academy monitors the impact of their policies and procedures on different groups (by race, gender and disability) and the effectiveness of such policies are assessed through Green Oak Academy's self evaluation procedures.
